Public Comment

Betsy Scurra (Farmersville) stated that her son plays on the Franklinville Football Team. She stated that the coaching staff needs to be re-evaluate for next year. She stated that the coaching staff has made comments to the players and that basically the kids on the benches, are punching bags for the starters. Ms. Scurra referenced an incident that happened last season (2022-2023) with a comment being made by a coach to a player, because the player left and went to the emergency room with his brother who was hurt. She said the loss in the last game this year was heartbreaking and that the kids were crying and sad and it was heart breaking.

Brock Blecha (Franklinville) stated that he thought Ms. Scurra's comments about the coaches were false. He stated that players don't trust what the coaches are teaching them and that the coaches have years and years of experience. He stated that the coaching staff gives the players everything they need to be successful players and they don't respect that. Mr. Blecha stated that the kids work their tails off, but some are lazy and don't want to be there and are asking when the practices/games are going to be over. He stated that the coaches are trying to set them up for life and the real world. He added that in the real world if you don't show up, you won't get anywhere. He stated that players are given a 5-page defensive packet and the coaches watch a ton of film. Mr. Blecha stated that when the team is up by 20 points nothing is said, but when they lose it is the coach's fault and when they win it's because of the kids.

President Golley asked Ms. Scurra for clarification if she was talking about all the football coaches or just the Varsity program. Ms. Scurra stated the Varsity program. President Golley thanked Ms. Scurra for taking pictures at the games.

Schavon Byroads (Great Valley) stated that she was speaking regarding the football game. She stated that she did not care what happened on the field, and that parents (some) were embarrassing. She stated that four parents were out of control, screaming and swearing and calling coaches by name because of how the game was going. She stated that there needs to be some accountability for how some fans acted. She stated that if she was a coach, she would have been afraid to walk to her car (because some of the people were so aggressive). Mrs. Byroads said, win or lose it was sad the way people were acting.

Chris Edwards stated that on behalf of the boys' soccer team he would like to thank everyone. President Golley asked him to relay a thank you back to the boys. Mr. Edwards stated that they appreciated seeing some of them (the board and administration) for coming to see them play.

President Golley stated that decisions will be made down the road and that they (the Board) appreciate everyone coming to the meeting.

Presentations & Reports

CA BOCES – Big Picture: Carol Fial and Charlie Gardner (Ellicottville Big Picture – Principal) attended the Board meeting and explained what the Big Picture program is, how it started and the components of the program. Mr. Gardner showed a PowerPoint presentation explaining how the program is run. He stated that there are 50 students in the program at a time. They partner with the CTE Center as well as with the community for partnerships. Restorative Practices are used daily to open the lines of communication. The program started being held at ECS in the 2009-2010 school year. President Golley stated that some people think most of the kids in the program are bad or behavioral problems. She stated that it is not the case. She added that she encourages the administration to visit the program and sit in on some of their presentations.

Class of 2024 Senior Trip – Brooke Butler (Class of 2024 President) stated that the class would like to go to Lake George, NY for their senior trip. The dates of the trip are June 13-16, 2024. They currently have 20 students interested and depending on the final cost of the trip, there may be more. Brooke stated that they just want everyone to have fun and be together. Shelby Colburn introduced herself as the class Vice President and Layla Kerns as the class Treasurer. Erich Ploetz, MS/HS Principal stated that the class is very organized, and he appreciates that. He thanked the officers.

Superintendent's Report – Robert Miller

1. Athletic Field updates: went out again and looked at the football field. We have less to cut than originally thought. We now have to cut ½ ft. by 20 ft. We won't be able to have playoff soccer games on the field but will be able to play regular season games. Waiting for one more quote, so we can move ahead with the project.
2. A bit of money is left in the capital project. Want to get large rocks (boulders) to put in front of the elementary playground. This will help deter cars from driving through and possibly hurting someone on the playground. We have been removing some of the shrubs that the deer have damaged.
3. Talked with Vicky Williams and we are waiting for our application to be approved for free breakfast and lunch for district students. It was free before, but the District would have had to pick up the cost (for ECS \$65,000-\$100,000). This year the State is picking up the cost. Hoping to be able to start on December 1st if not January 2nd. Not sure if it will still be in place next school year, but we will continue to monitor.

Principals Reports:

Katie Mendell – Elementary Principal/Director of Curriculum

1. Climate & Culture: Everyone came together to send the boys soccer team off to States. The elementary got to participate. It was nice to see everyone come together. The elementary students were excited to be in the gym for the pep assembly and on the sidewalks out front when the firetrucks were there with the boy's bus to send them off to States.
2. Monday Assemblies and Character Traits & Awards: this month concentrated on the meaning of Veteran's Day.
3. Alex Freer has office hours at ECS. Teachers can meet and obtain curriculum hours, through CA BOCES. This service lets teacher implement how computer-based testing will be. We continue to also work on Curriculum with Anne Mitchell and Mark Carls (from CA BOCES).

Erich Ploetz - MS/HS Principal

1. Academics: last week ended the 1st marking period. Report cards will be printed and mailed this week and available to parents who attend conferences in the middle school/high school. Full slate of in-person and phone conferences for 11/16. Finishing up last rounds of benchmark testing for grades 7-11 core subjects. Big thank you to Karl Gesing, Assistant Principal, for helping to oversee the project.
2. SEL: the week of October 23rd was Red Ribbon Week, highlighted by a guest speaker from Kid's Escaping Drugs, separate assemblies were held for grades 6-8 and 9-12. December 2nd ECS will administer the CLYDE survey, Community-Level Youth Development Evaluation.
3. Extracurriculars: Congratulations to Coach Finn and the Men's Soccer Team, as well as all Fall athletes. Congratulations to Crystal Wilder and the cast and crew of the MS Musical.

Consent Items:

Moved by Northrup, seconded by Pearl, upon the recommendation of Robert Miller, Superintendent of Schools, approval to adopt the following Consent Agenda items:

- a. That the board approve the minutes of the meeting of October 17, 2023
- b. Acknowledgement of the October 24, 2023 & November 7, 2023, Claims Auditor Reports
- c. Approval of the September 2023 Treasurer's Report

**Yes – 7
No – 0
Carried**

Committee Reports:

Buildings, Grounds & Transportation: met earlier this evening to work on the Building Condition Survey. Managed to go through about 75% of the survey. Sticker shock on some of the items. We need to have the BCS for Capital Outlays and Capital Projects. In December we hope to have the full survey ready for the Board to view. Then it will be submitted to SEI for review, and they will submit to New York State.
