## Creative Storytelling

### Bringing Books to Life in the Library!

The elementary library is buzzing with activities these days as the classes concentrate on unique presentations. All the students in grades 1-3 are showing off their talents as they are involved in puppetry, story retells, and learning how to make pop-up books.

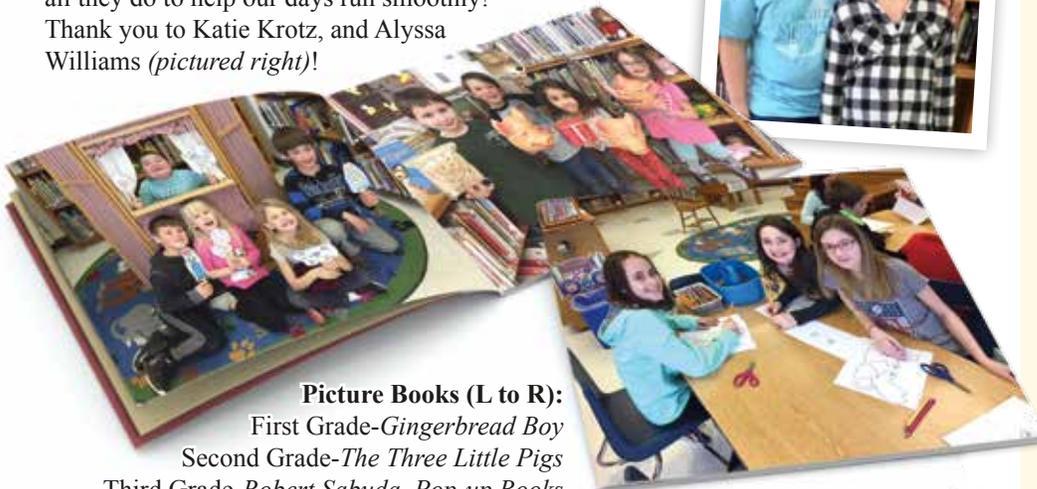

Using one of their favorite stories, *The Gingerbread Boy*, the first graders are busy creating puppets and memorizing lines as they take turns practicing behind our puppet theater. The elementary library will host the presentations entertaining the Kindergarten audiences.

While the first graders are working hard at practicing their theatrical skills, the second graders are composing their own versions of the fairy tale, *The Three Little Pigs* and the Big Bad Wolf. Breaking into groups, the classes are rewriting the tale and giving it their special, personalized touches. Once the tales are completed, the second graders will showcase their acting skills for visiting classes.

Finally, our third grade classes are becoming authors of unique pop-up books in the tradition of the famous Robert Sabuda. Using Mr. Sabuda's pop-up patterns, the students will create a small book and write their own tale to match the special illustrated pop-up insert.

With so much fun filled activity, it is difficult to contain such enthusiasm! The Library is such a wonderful place to be.

Also, cheers to our sixth grade library assistants and all they do to help our days run smoothly! Thank you to Katie Krotz, and Alyssa Williams (pictured right)!

## Pre-K and Kindergarten

### PRE-KINDERGARTEN:

If your son or daughter will be turning **4 years old by Dec. 1, 2017**, please call the Elementary Office. We will then mail you a planning paperwork packet that will need to be completed and returned to the Elementary Office. Each year, New York State reviews the funding structure for the grant supported Pre-K programs. Our Pre-K program is a half day program. If our Pre-K program is again funded, acceptance letters for the program will be mailed this June. *The state considers a child Pre-school age if their birth date is between December 1, 2012 and November 30, 2013. Please contact the Elementary Office at 699-2318* and we will be happy to answer any questions that you have at this time.

### KINDERGARTEN:

Do you have a child that will be Kindergarten age this fall, but is not currently enrolled in our Pre-K program? **Please notify the Elementary Office at 699-2318** so we may include your family in some upcoming activities this spring such as Kindergarten Screening and the annual Pre-K picnic. Our Kindergarten program is a full school day. *(The state considers a child Kindergarten age if they turn 5 years old before December 1, 2017.)*

**PLEASE NOTE**

**School Will Be Closed for Spring Break from April 10th through April 17th, 2017**

# Figuring Your Own Taxes (Part 4)

By Mark J. Ward, Superintendent

**The school district is the only local government that levies taxes that requires a public vote on its budget.**

Towns, fire districts, sewer districts, villages, counties and the state itself do not have to get the approval of the voters. In a sense, the schools are held to a higher standard. The Board and administration believe this makes us more accountable for the decisions we make.

The main purpose of this article is to review with you just how your taxes are figured and compare ECS taxes to neighboring schools. As the budget process proceeds, the Board will continue to review the costs associated with the major functional areas of the school. That will include: instruction, employee benefits, central services, support services, operation and maintenance, pupil transportation, debt service, and BOCES services. Some of these costs are fixed, others are contractual, some may be mandated and others will have some flexibility.

The 2016-17 budget was \$11,935,306 and carried a \$8.46 true value tax rate. A few examples are listed below that reflect what you may have paid in taxes if your house was assessed based at the value below. True value tax rates are based on 100% assessment and 3 of the towns in the school district are at 100% (Ellicottville, East Otto, Mansfield), Great Valley and Humphrey are at 97% and Franklinville is at 70%. The actual taxes are arrived at by multiplying the true value of your home by the tax rate in your town.

## STAR and Enhanced STAR Impact on Tax Bill

Your primary home is eligible to receive a STAR or Enhanced STAR exemption. The chart below is a simplified way for you to look at how these programs impact your actual tax bill. Below is a quick example of how your school tax bill is figured based on 2016-17 tax rate:

<b>Assessed Value of Your Property (100%)</b>	<b>\$100,000</b>
<b>STAR Exemption for Homeowner's Primary Residence</b>	<b>-\$30,000</b>
	<b>\$70,000</b>
<b>2016-17 True Value Tax Rate</b>	<b>x \$8.46</b>
<b>School Taxes Owed</b>	<b>= \$592.20</b>

**STAR will save you \$253.80**  
( $\$30,000 \times \$8.46$ ).

**Enhanced STAR would save you \$337.55**  
( $\$60,100 \times \$8.46$ ).

You're eligible for a \$30,000 STAR exemption on the full assessed value of your property if you are under age 65, your home is your primary residence and your income is under \$500,000. Enhanced STAR provides a \$60,100 exemption for homeowners over age 65 who make less than \$79,050.

## How do ECS school taxes and rates compare with other districts?

In order to better understand how our tax rate compares, it is helpful to see what the tax rates are in neighboring school districts. By using the 2016 tax rates and multiplying those to a house with a true value assessment of \$100,000, we come up with a comparison tax bill in each of the districts listed below. Needless to say, Ellicottville's tax rate and school taxes are much lower than any district listed below, and only one District in WNY has a lower tax rate!

School District	Tax Rate	Tax Bill
<b>Ellicottville</b>	<b>\$8.46</b>	<b>\$846</b>
Cattaraugus-Little Valley	\$14.54	\$1,454
Franklinville	\$18.04	\$1,804
West Valley	\$20.68	\$2,068
Allegany-Limestone	\$17.62	\$1,762
Randolph	\$10.13	\$1,013
Portville	\$23.06	\$2,306
Hinsdale	\$10.99	\$1,099
Springville	\$19.05	\$1,905
Pioneer	\$13.49	\$1,349

## KEEPING CONTACT INFORMATION UP TO DATE!

Parents/Guardians we need your help. Anytime you change your address, phone number, marital status, etc. you **MUST** notify the school in writing. Please do not just call the school and tell us about the changes, we really need it in writing to make sure we have correct and accurate information. This information is extremely important as we use it to mail report cards, progress reports, notices, etc. It is also the information we use to contact you in the event of a medical emergency, school closing, etc. Our ability to contact you is only as good as the information we have on file. Thank you for your attention in this important matter.

# Girls Varsity Basketball

## Lady Eagles Make It to Section Semifinals

*By Coach Bartoszek*

The Lady Eagles Basketball team ended their season with a loss in the section semifinals to Panama on March 2nd. For the season, the Lady Eagles finished with an impressive record of 19-2 and a league record of 9-1. This season was a great success, as the Lady Eagles secured a league title and many impressive wins. The end result is disappointing for the team, but that doesn't tarnish the excellent season and we are very excited and grateful for the opportunities that lie ahead as we look forward to a competitive season next year.

This year's team was made up of 6 seniors: Jenna Aldrich, Shelby Imhoff, Marissa Hamilton, Alyssa Przywara,

Emmalea Erlandson, and Madison Harris. 3 juniors: Evelyn Cortez, Halie Mowery, and Tomara Bowen. One sophomore, Linnea Jimerson, and one freshman, Makenna Smith. A special thank you to Camryn Earley and Lilly Shanley who moved up to varsity for the playoffs, which allowed us to have a full practice team. We had a number of all-stars in this group: Marissa Hamilton and Emmalea Erlandson were named to the first team. Linnea Jimerson was named to the second team, and Evelyn Cortez and Jenna Aldrich were named to honorable mention. Emmalea Erlandson also received the team's sportsmanship award which was fitting for a player who suffered a season ending injury on senior night and

maintained her role as a co-captain along with Marissa Hamilton.

Our team would like to thank the administrations, staffs and communities for their support throughout the season. The winter season is very long, runs into several holiday breaks, and causes a lot of different scheduling conflicts, which the parents and schools handled very well. Throughout the summer, we will be looking to build on this with open gym times, possible summer league play once a week, and through local basketball camps.
