Top Honors of the Class of 2019!

Louisa Benatovich, Valedictorian; Meganne Chapman, Salutatorian

Louisa Benatovich is the daughter of Katie and Adam Benatovich. With an Advanced Regents Diploma with Honors, Louisa is graduating as valedictorian of her class. She has been on high honor roll throughout her high school career, earning a final weighted average of 113.72. Louisa was a recipient of the Character Excellence Scholarship from the Character Council of WNY, as well as the National Honor Society Betty Pappas Scholarship.

A great lover of music, literature, and learning, Louisa has devoted much of her time in pursuit of those passions. She is heavily involved in Quiz Bowl as its co-captain and as ESPRA's vice-president. She is a loyal band devotee, along with Student Council Vice-President and overzealous Yearbook artist. She is a proud peer tutor and NHS member. Her senior year, Louisa was selected into the New Vision: Health Professions program. Louisa writes for The Ellicottville Times as a student correspondent, as well as Ellicottville's

Snowed-In periodical. She strives to be active in the community and currently works at Watson's Chocolates.

Louisa will be attending Johns Hopkins University in Baltimore, Maryland, where she will major in

a weighted average of 111.77 and an Advanced Regents Diploma. Meganne received the Outstanding Member of the Ellicottville Chapter at the National Honor Society Banquet.

Meganne is the Class of 2019 President, Student Council Treasurer, and National Honor Society Vice-President. In addition, she participates in ESPRA, Jazz Band, and Drama Club. Meganne is also a certified Peer Tutor, and has been Captain of the Soccer, Basketball, and Track and Field teams. She loves spending her free time volunteering, especially with Mr. Smith's First Grade classroom and as an Ag Literacy reader. Meganne enjoys staying active in her school and community. She is employed by Centerplate at Holiday Valley and has worked three winters and two summers.

Meganne has received the University of Rochester George Eastman Young Leaders Award, RIT Innovation and Creativity Award, League Sportsmanship

Eagle's Nest News

ABOUT THE PROGRAM

The Eagle's Nest is a certified program, through the CRLA organization. CRLA is the College Reading and Learning Association. We are the first high school in New York State to earn this certification. Any tutor who completes the training and tutors a minimum of twenty-five hours will be internationally certified. Many colleges are affiliated with the CRLA organization so certified tutors will often be able to join the tutoring staff at their college without going through the training process.

OUR NEWEST TEAM MEMBER

Katie Krotz has earned peer tutoring certification. To earn certification, a student must complete one year of training, which is every Tuesday from 3-4. In addition, the student must complete twenty-five hours of tutoring. This is a lot of work on top of an already busy schedule of academics and sports. **Congratulations Katie!**

WANT TO BE A TUTOR?

We are no longer taking applications to be a tutor for this year but keep us in mind for next year.

NEED TO BE TUTORED?

Are you worried about finals and Regents exams? See Mrs. Bauer about getting a tutor.

PM Pre-K
Students will attend in the AM on Friday, June 21, 2019; Monday, June 24, 2019 and Tuesday, June 25, 2019. Please watch for a note to come home with students from Mrs. Schwartz.

Looking Back & Then Ahead

I'm always amazed at how quickly each school year passes, and 2018-19 was no exception. While final exams are just a couple short weeks away for MS/HS students and elementary students are experiencing their end of the year field trips, it seems like just last week everyone was starting the 2018-19 school year. And, before we know it, the Class of 2019 will have walked across the graduation stage and will be graduates and no longer high school students!

ECS has once again, demonstrated that it is well prepared for the challenges that are presented during the course of the year. In fact, the students, faculty and staff were not only prepared for challenges, they faced, they faced them head on and experienced a tremendous amount of success. From classroom achievements to athletic competitions and everything in between, the students at ECS have once again proven they are an extremely talented and hard working group. The students' drive to succeed does not automatically happen in a vacuum; it is a character trait that is instilled by parents and family and further encouraged and enhanced by the staff at the school. It is a team effort and, I may be biased, but I know that ECS does this better than any other school when it comes to student achievement!

As we prepare for the final weeks of the school year, I know that students will continue to try their hardest while parents and teachers provide encouragement to study hard and finish the year strong!

Over the summer, my hope is that students and staff find the time to relax and recharge as they prepare for the 2019-20 school year at ECS. In the case of graduates, I wish each of you the very best on next phase of your journey in life, whether it is college, the military or the workforce. I can say with certain confidence that your work and studies at ECS have prepared you for success!

Best Wishes for a Safe and Enjoyable Summer!

Robert R. Miller, Superintendent

Graduation Regalia

A few short years ago, Ellicottville Central started to incorporate more items that graduating seniors could wear during the ceremony to proudly show-off their academic achievements / academic accomplishments. Wearing these items at graduation is a visual reminder to parents and audience members of students' efforts in their academic endeavors. At this time, we would like to provide a brief description of items signifying academic achievements / academic accomplishments that graduates will be wearing.

- **GOLD CORDS:** worn by students that are ranked in the top ten of graduates. These students will be sitting in the front row.
- **MAROON AND WHITE HONOR CORDS:** worn by students meeting high honor roll requirements six or more times during high school (grades 9-12)
- **VALEDICTORIAN, SALUTATORIAN and TOP FIVE MEDALS**
- **BOARD OF EDUCATION OUTSTANDING SUBJECT AREA MEDALS:** worn by students chosen by the faculty and staff for these awards
- **NATIONAL HONOR SOCIETY STOLES:** blue and white stoles worn by graduating members of the National Honor Society.
- **SNI STOLES:** white and black stoles presented by the Seneca Nation of Indians and worn by Native American Graduates.

When you see these items during the graduation ceremony, please take note and remember the students wearing these items worked hard to receive these items demonstrating their academic achievements / academic accomplishments.

Continued Top Honors: *Abigail Sonnenberg, Ginna Hensel, and Sierra Maybee*

Award for Soccer and Basketball, the Daughters of the American Revolution Good Citizens Award, Zonta Young Women in Public Affairs Scholarship, Cattaraugus County Youth of the Week Award, Buffalo First Community All-Star Award, Big 30 Athletic Scholarship, and the Excellence in Chemistry Award. Meganne will be attending the University of Akron as a Williams Honors College and Emerging Leaders Program student in the fall to major in Civil Engineering.

Abigail Sonnenberg is the daughter of Michele and William Sundeen. Having been on high honor roll throughout her high school career, she is academically ranked third in her class and will graduate with an advanced Regents diploma, with a weighted average of 110.95.

Since transferring to ECS in ninth grade, Abby has served as Secretary of her Class and President of the Ellicottville Chapter of the National Honor Society. She has also been involved in Spanish Club, Peer Tutoring, Quiz Bowl, and ESPRA. During her time in high school, Abby was also a Taekwondo instructor for her dojang in Hamburg, where she taught students of various ages and skill levels and helped to coordinate various community service events.

Abby will be attending Ohio University, where she will double major in linguistics and psychology.

Ginna Hensel is the daughter of Lori and Donn Hensel and sister of Charlie. She has achieved the class rank of number four with a weighted average of 110.331.

Throughout her high school career, Ginna has been honored to serve many different leadership roles in the school. She served as Student Council President, Literary Club (ESPRA) President, Co-Founder of the ESPRA Magazine, and Chairwoman of the Cattaraugus County

Government Student Interns. She's held several jobs during high school including ski instructing at Holiday Valley, along with working at Pumpkinville, Subway, and Tops.

Over the course of high school she has accumulated over 230 hours of community service by collecting donations for the Teachers Desk, volunteering at the Ellicottville Historical Society, knitting scarves for soldiers, organizing and volunteering at the Daddy Daughter Dance, volunteering as a Lounsbury Adaptive Ski Instructor, and playing in the school's pit orchestra and Olean Community Theater pit orchestra.

Ginna was awarded the Fredrick Douglass and Susan B. Anthony Humanitarian Services Award, the Decisiveness Award, Cattaraugus County Youth of the Week, and the County Government Intern of the year. She was also the only girl from Cattaraugus County to attend the 1st Amendment 1st Vote Conference in Seneca Falls. Ginna was also named a National Honor Society Academic Scholar. She is one of 600 students nationwide chosen from a pool of over 11,000.

Ginna plans to attend Jamestown Community College with a dual major in Psychology and Business. After that, she plans to continue her education at law school.

Sierra Maybee is the daughter of Eric Maybee and Rachel Alexander. Sierra is ranked fifth in her class with a weighted average of 109.08, and will graduate with an Advanced Regents diploma. Sierra has been a member of National Honor Society, French Club, and Student Council. She has also participated in volleyball, softball, basketball, band, chorus, and ESPRA. Sierra was a team captain for varsity basketball and softball her senior year.

Throughout high school, Sierra has worked at the Allegany Community Center in Salamanca as a year-round lifeguard. She has volunteered through student council at various functions such as the senior citizen dinner, the daddy daughter dance, project Christmas, the dime carnival, and other school activities. Sierra plans on attending Albany College of Pharmacy and Health Sciences in Albany, New York. She is excited to major in Pharmacy and minor in Public Health.

★ ★ ★ ECS PTO UMBRELLA FUNDRAISER ★ ★ ★

Please see the order form on page 8 for information on purchasing an umbrella.

You can send in cash, check, or credit card info with the form.

Please send form and payment to ECS, Attention: ECS PTO - Diana Olson or Kristen Pearl.

Checks may be payable to JRSC Digital. Total cost for each umbrella is \$14.

Orders are due by June 14, 2019. Thank you so much for your support!

YEARBOOK NEWS

The yearbook will be here soon. Did these pictures make the cut?

📷 Old yearbooks are available for purchase, as long as supplies last. The 2018 yearbook is \$50. Books from previous years are \$10. Contact Mrs. Bauer by email at cbauer@eville.wnyric.org

📷 We have some more elementary yearbooks available. They are \$15 each. There is a limited number that we'll sell first come first serve until they sell out.

📷 If you sold Easter candy then you have a yearbook reserved for you. You just need to pay the balance to get it.

📷 Businesses, we are starting to plan for next year's yearbook. If you would like to advertise in it contact Mrs. Bauer by email at cbauer@eville.wnyric.org

Visiting the World War II Museum in Eldred, PA

By Sammi Van Wicklin

On April 15, the junior class took a field trip to the Eldred World War II Museum. Steve Appleby, our tour guide, immersed us with a wonderful experience of war heroes' stories. He was a veteran of 28 years himself and motivated the class to stand up and do something beneficial with our lives. He was able to inspire us while also teaching us about the history of the war.

The museum included hundreds of artifacts, pictures, and awards of soldiers. Steve recounted many veterans' stories and showed us around the museum with very interesting facts to inspire. Instead of looking up to Hollywood celebrities as role models we should look up to the outstanding valor portrayed through these heroes. The most amazing line that all veterans of the war he's interviewed has said is, "I'm just doing my job in serving my country." To conclude his tour, Steve reminded us of the top three things we can do to honor soldiers fighting for our freedom. Thank every veteran you see and send a letter or little package to those currently serving, honor the American flag, and above all else go out and make something great of ourselves.

ART AND BOOKS TRIP!

On May 3, 2019 ESPRA took its annual field trip to the Albright Knox Art Gallery and a few other Buffalo haunts! This year ESPRA invited Ms. McGowan and her Painting students to come along to make it an ART and BOOKS trip! We explored the art gallery and wandered happily as long as we could, taking it all in. We took selfies with two paintings by van Gogh!

Our group made its way on rainy streets to Westside Stories Used Books, an independent book seller where we got lost in the stacks and found many unexpected books and treasures.

We also explored the West Side Bazaar for lunch and shopping. The bazaar is home to authentic food and retail vendors from many cultures! We had Thai, Chinese, Mexican, and many more—something from almost every vendor there, and we shared to make the most of our new food experiences! The food was beyond our wildest expectations and left us all wanting more!

Time was too short, and we didn't see the other independent book stores on our list! There is no question we'll be back soon for more ART and BOOKS adventures!

THANK YOU!

The Class of 2020 would like to say "Thank You!" to everyone who supported the Hot Dog fund-raiser on May 21, 2019.

THANK YOU!

6th Grade Changes at ECS

For the past 10+ years, ECS has taken advantage of our PK-12 building by having our 6th graders begin the year as elementary students, then transition to Middle School students half way through the year. This would include moving to the Middle School cafeteria for lunch and switching principals. Even though this came with advantages, it also made some situations difficult with asking students and teachers to make changes half way through the year. With this in mind, we have decided to make the following changes for next year.

WHAT WILL BE NEW?

- They will begin the year with Mr. Ploetz as their MS/HS Principal
 - They will eat in the middle school lunch room the entire year
 - Three tardies to school will result in a detention
 - Notes will no longer be required if staying after school
 - There will no longer be a moving up night at the end of January
 - The ineligibility rule will apply for all activities the entire year
 - They will be able to attend all MS functions the entire year, including dances
- ★ *Looking into a possible “kick-off” dance towards the end of August...*

WHAT WILL STAY THE SAME?

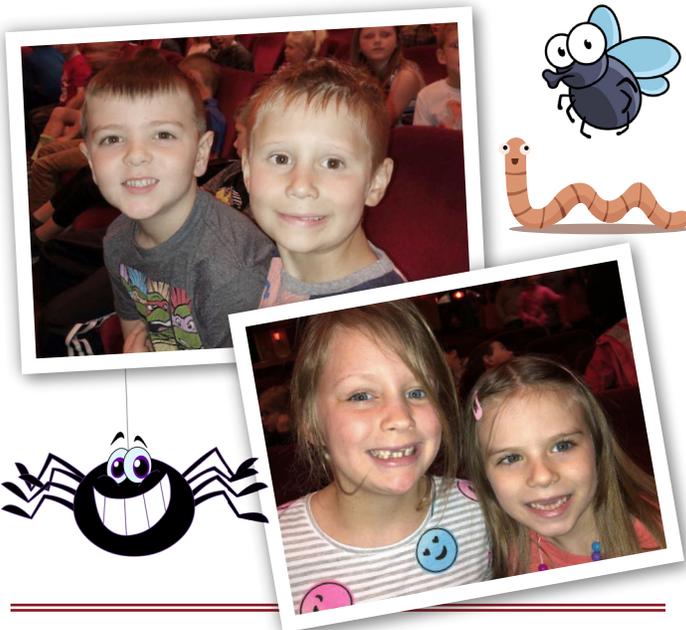

- Grading and access to the parent portal for updated grades
- Period by period schedule
- Orientation at the end of August to go over expectations, schedules, and lockers

Also, according to NYS regulations, all 6th graders will need to be in attendance until the very last day of school (same as the elementary). They will not be done the same day as 7th and 8th graders, even though they will be in the MS. Please feel free to contact Mr. LaCroix with any questions or concerns regarding these new changes.

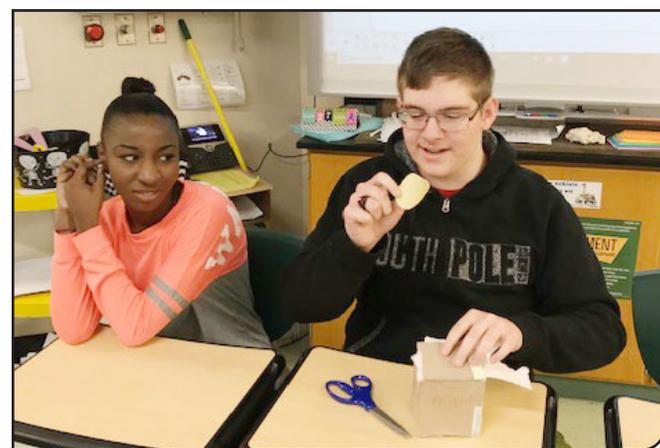

1st Grade Trip to Shea's

Diary of a Worm, a Spider, and a Fly!

On May 8, 2019, the three first grade classes at ECS took a field trip to Shea's Performing Arts Center to see *Diary of a Worm, a Spider, and a Fly!* Students were captivated by the musical performance as well as the gorgeous décor of the theater. Before and after the show, they pointed out the ornate surroundings: chandeliers way up high on the ceilings, glittering mirrored walls, and the plush cranberry velvet seats! Students sat quietly and were attentive during the performance! We were so proud to be their teachers! Afterward, we got a glimpse of the waterfront and had a wonderful lunch together! We are so grateful for the generous Cassetta Funds that made our trip possible! It was a wonderful day of new experiences!

Survivor: Chip Edition

Students in Ms. Brierton's Earth Science class had to design a box that would protect a single chip that traveled from Grand Island to Rochester and then Elicottville. 4 of the 5 containers constructed were successful!

Who Was Our Mystery Reader?

Mrs. Katie Benatovich or as she is more affectionately known to us - “Mrs. B” - was born in England and has lived in many different places around the world. Whilst in the United Arab Emirates, she published “Noura’s Garden,” her first of six tri-lingual children’s books - in English, French, and Arabic. These books and interactive workshops have been used in schools internationally where children learn to write, sing, discuss languages and talk about diversity and inclusivity in a safe and informative manner.

Mrs. B read her Noura books as one of our mystery readers during ECS’s 2019 Reading Celebration. She read to six classes - Kindergarten, 2nd Grade, 3rd Grade and 5th Grade. Students were enthralled with a show-n-tell selection of treasures – including sand from the desert. Mrs. Norton’s class was so excited to find out more that they invited Mrs. B back to read and talk about date palms!

In the United States, Mrs. Benatovich has written *C is for Courage*, a book about Camp Good Days (a not-for-profit organization dedicated to improving the quality of life for children, adults, and families whose lives have been touched by cancer). Mrs. B publishes a new set of children’s books in the Fall – *The Power of Poems for Giraffes*, *The Power of Poems for Lions* and *The Power of Poems for Penguins* – a collaborative project with Mrs. Charity Burlingame!

Each year Mrs. Benatovich designs wonderful workshops to support the free summer reading program at Ellicottville Memorial Library which starts Monday, July 1, 2019.

We look forward to welcoming Mrs. B back next year! Until then happy reading everyone! May your summer be filled with books of fun! Did you know reading just 10 minutes a day over summer vacation adds up to over 10 hours of reading time (which could include audiobooks in the car on the way to the beach or the long road trip to grandmas – even whilst camping). Imagine how many new words you could discover, adventures you could go on and fun facts you could accumulate whilst enjoying a break from school just by reading 10 minutes a day!

PTO News

FIELD DAY

Field Day will be held on **Monday, June 24th**. Notes will go home with elementary students before Field Day so that parents can sign up to volunteer. If you would like to volunteer, but don’t have an elementary student, you can email Diana Olson (dolson@eville.wnyric.org).

SAVE YOUR BOX TOPS!

Please save your Box Tops over the summer, as the PTO will hold a contest when we return to school in the fall. Please be sure to watch for expiration dates, as there will be some that expire at the end of June and August. You can always send your Box Tops in to the elementary office, or drop them off at the Great Valley Post Office and Ellicottville TOPS.

St. Jude Children's
Research Hospital

TAB CONTEST WINNER

Congratulations to Miss Olson’s Kindergarten class on winning this year’s PTO Tab Contest! They were able to enjoy a nice treat of ice cream sandwiches. Miss Olson’s class brought in almost **5 paper boxes full** of tabs. Miss Stormer’s 4th grade class came in second place, they brought in almost **4 paper boxes full** of tabs. Together as a school we collected **19 paper boxes full!!!**

Please continue to save your tabs from cans over the summer and through next school year. Tabs can come from any aluminum cans such as pop, water, juice, pet food, soup cans, etc. We will hold a contest again next spring to donate the tabs to WPIG radio station. They donate the money from the tabs to St. Jude’s Children’s Research Hospital.
