

Special Areas – 4th Grade

Dear Parents,

This packet is a collection of work from your child's Special Area teachers at Ellicottville Central School. This work includes simple tasks for each subject area that your child should be working on as part of their virtual learning experience, in addition to their core classes.

In this packet, you will find work for the month of **November** from:

Art – Mrs. Lechner (1 page)

Computers – Mrs. Reed (same as last month)

Library – Mrs. Illig (1 page)

Music – Ms. Fortais (2 pages)

Physical Education – Mr. Mendell (1 page)

Activity Log to log all special area work done this month

Please have your child complete the work enclosed, and following instructions included on the pages for each subject, send pictures of the requested completed work via email to Mrs. Leanne Pfeffer at: lpfeffer@ecsny.org If you can not email the work, please place it back in the folder and return it to school.

This packet is due November 30th.

Please note: This work will be graded for report card purposes, and needs to be completed and returned in order for your child to be given a passing grade. This packet is due by the end of November, and a new packet will be sent home prior to the start of December.

we will get thru this
TOGETHER

If you have any questions about the work that is to be completed, please contact the appropriate teacher (contact information below). Thank you for your support and cooperation. Please reach out with questions at any time, and remember, we will get through this together!

22	23 What is a Glossary and how is it a tool for the reader?	24	25	26  Thanksgiving	27	28
29	30					

November 2020
4th Grade Music
Ms. Fortais
afortais@ecsny.org

Hello 4th Graders and parents,

For Week 1 of November, I want you to review and practice rhythms with a song. It's called "Falling Leaves." You can play this song using any percussion instrument if you have any, clapping, patting or drumming on a table. This is a fun and seasoned-themed relaxing song.
https://www.youtube.com/watch?v=KNQS2YrfdbE&ab_channel=MusicwithMrs.Gibbs

For Week 2 of November, I have an assignment for you that involves composing. Here are the directions:

Find one object in your house. Make sure this object is something that you can make **at least 3 different sounds** on. (For example, you can use a paper towel roll for your voice, scrape it, hit it, and so on). Next, find a sheet of paper, and draw a symbol of your choice for each different sound. Finally, arrange a song using your symbol of your newly found instrument. Make sure that the symbol you draw is the same as the sound you chose for it. Play your song through to make sure you like it! If you'd like, you can perform this for someone, or you can take a video and send it to me! (See above for my email)

For Week 3 of November, I have an activity for you that involves percussion and water. Watch this video for a more in depth and visual explanation

https://www.youtube.com/watch?v=CUkbw2LLkU4&ab_channel=Mr.Minchew

I want you to find a parent or guardian and find **5 class cups**. They should all be around the same size. Next, you'll need a measuring cup if you want the notes to be perfect. The measurements for exact notes are 1 $\frac{3}{4}$ cup, 1 $\frac{1}{2}$ cup, 1 $\frac{1}{4}$ cup, 1 $\frac{1}{8}$ cup and 6 teaspoons of water. Each glass you will fill with water. If you are not doing exact measurements, fill one glass most of the way up. Then fill the rest of them, taking away a little each time. The less water you have, the higher the sound will be. Use small sticks or pencils to carefully tap the glasses to make sound. You will notice that they make a pretty ringing sound. You can improvise, or compose a song this way.

For Weeks 4 and 5 of November, as a review for the end of this month, practice the rhythms you know and learn some new rhythms by watching music teacher Mr. Gordon.

https://www.youtube.com/watch?v=CvhjVZpQwh8&ab_channel=Mr.Gordon

For the last example, you will learn about **syncopation** which is rhythm that might not always perfectly line up with a beat. Practice this video to get the rhythms right each time!
