February 2021

Dear Parents,

Hello! Thank you again for all your hard work this past month! Included here are new activities, for the month of February. As promised before, each monthly packet will include a variety of activities, some easier than others, plus directions to practice instruments 1-2 times per week. Pick what works best for your family, and do as much as you are able/comfortable with. Every activity in the packet does not need to be completed in order for me to give sufficient grades.

Like last month, my Virtual Classroom has some exciting activities in it that will be beneficial to your child. The link to my Virtual Classroom can be found on the school website. Go to www.ellicottvillecentral.com, click “Elementary”, then “Elementary Teacher Websites” – find my name, and then the link for my Virtual Classroom is on the bottom left of my home screen. Or, please send me an email to let me know you’d like the direct link.

As with last month, while you are navigating through the “virtual learning” for all subjects, please do not fret over the amount of band work that is done. I would be just as happy if you tell me that you put on your favorite song and had a family dance party!

I will have to provide grades for this work for report cards, so please: fill out the attached Activity Log, take a picture of it, and email it to me at: kweller@ecsny.org Please also include pictures of any worksheets that your child completes (some months might not have any worksheets).

If you can’t email it, you can send the hard copies back to school when classroom work is returned.

This packet is due by February 28th, and a new packet will be sent to you for March.

Following this page, you’ll see a calendar with weekly (and extra) activities. At the end of this packet is the activity log to fill out and return for grading purposes.

Thank you so much for all you’re doing, and please reach out at any time if I can help in any way. And remember: We WILL get through this – together, but apart! ☺

Concert Ab Scale Exercise

Find your instrument, and begin practicing your **Concert Ab scale**. This doesn't mean everyone is playing an "Ab" scale - it means all instruments will sound the same when we play it together in band. This is just like how we learned the Concert Bb scale - just a new one!

Percussionists, practice all the percussion parts for now.

The musical score is for a 5th-grade band and consists of 11 staves. The first seven staves are for melodic instruments: Flute, Clarinet in Bb, Alto Sax., Horn in F, Trumpet in Bb, Trombone, and Baritone (B.C.). These instruments all play the same Concert Ab scale in 4/4 time. The scale begins on Ab4 (F4) and ascends stepwise to Ab5 (F#5), which is held for two measures. The key signature has three flats (Bb, Eb, Ab), and the time signature is 4/4. The last four staves are for percussion: Triangle, Tambourine, Snare Drum, and Bass Drum. The Triangle part features a rhythmic pattern of eighth and sixteenth notes with occasional sharp signs. The Tambourine, Snare Drum, and Bass Drum parts provide a steady rhythmic accompaniment using various drum notation symbols.
