

Special Areas – 5th Grade

Dear Parents,

This packet is a collection of work from your child's Special Area teachers at Ellicottville Central School. This work includes simple tasks for each subject area that your child should be working on as part of their virtual learning experience, in addition to their core classes.

In this packet, you will find work for the month of **November** from:

Art – Mrs. Lechner (1 page)
Computers – Mrs. Reed (same as last month)
Library – Mrs. Illig (1 page)
Music – Ms. Fortais (2 pages)
Band – Ms. Weller (3 pages)
Physical Education – Mr. Mendell (1 page)
Activity Log to log all special area work done this month

Please have your child complete the work enclosed, and following instructions included on the pages for each subject, send pictures of the requested completed work via email to Mrs. Leanne Pfeffer at: lpfeffer@ecsny.org If you can not email the work, please place it back in the folder and return it to school.

This packet is due November 30th.

Please note: This work will be graded for report card purposes, and needs to be completed and returned in order for your child to be given a passing grade. This packet is due by the end of November, and a new packet will be sent home prior to the start of December.

we will get thru this
TOGETHER

If you have any questions about the work that is to be completed, please contact the appropriate teacher (contact information below). Thank you for your support and cooperation. Please reach out with questions at any time, and remember, we will get through this together!

29	30					

November 2020
5th Grade Music
Ms. Fortais
afortais@ecsny.org

Hello 5th Graders and parents,

For Week 1 of November, I want you to review and practice rhythms with a song. It's called "Falling Leaves." You can play this song using any percussion instrument if you have any, clapping, patting or drumming on a table. This is a fun and seasoned-themed relaxing song.
https://www.youtube.com/watch?v=KNQS2YrfdBE&ab_channel=MusicwithMrs.Gibbs

For Week 2 of November, I have an assignment for you that involves composing. Here are the directions:

Find one object in your house. Make sure this object is something that you can make **at least 3 different sounds** on. (For example, you can use a paper towel roll for your voice, scrape it, hit it, and so on). Next, find a sheet of paper, and draw a symbol of your choice for each different sound. Finally, arrange a song using your symbol of your newly found instrument. Make sure that the symbol you draw is the same as the sound you chose for it. Play your song through to make sure you like it! If you'd like, you can perform this for someone, or you can take a video and send it to me! (See above for my email)

For Week 3 of November, I have an activity for you that involves percussion and water. Watch this video for a more in depth and visual explanation

https://www.youtube.com/watch?v=CUkbw2LLkU4&ab_channel=Mr.Minchew

I want you to find a parent or guardian and find **5 class cups**. They should all be around the same size. Next, you'll need a measuring cup if you want the notes to be perfect. The measurements for exact notes are 1 $\frac{3}{4}$ cup, 1 $\frac{1}{2}$ cup, 1 $\frac{1}{4}$ cup, 1 $\frac{1}{8}$ cup and 6 teaspoons of water. Each glass you will fill with water. If you are not doing exact measurements, fill one glass most of the way up. Then fill the rest of them, taking away a little each time. The less water you have, the higher the sound will be. Use small sticks or pencils to carefully tap the glasses to make sound. You will notice that they make a pretty ringing sound. You can improvise, or compose a song this way.

For Weeks 4 and 5 of November, as a review for the end of this month, practice the rhythms you know and learn some new rhythms by watching music teacher Mr. Gordon.

https://www.youtube.com/watch?v=CvhjVZpQwh8&ab_channel=Mr.Gordon

For the last example, you will learn about **syncopation** which is rhythm that might not always perfectly line up with a beat. Practice this video to get the rhythms right each time!

November 2020

Dear Parents,

Hello! Thank you again for all your hard work this past month! Included here are new activities, for the month of November. As promised before, each monthly packet will include a variety of activities, some easier than others, plus directions to practice instruments 1-2 times per week. Pick what works best for your family, and do as much as you are able/comfortable with. Every activity in the packet does not need to be completed in order for me to give sufficient grades.

Like last month, my Virtual Classroom has some exciting activities in it that will be beneficial to your child. The link to my Virtual Classroom can be found on the school website. Go to www.ellicottvillecentral.com, click “Elementary”, then “Elementary Teacher Websites” – find my name, and then the link for my Virtual Classroom is on the bottom left of my home screen. Or, please send me an email to let me know you’d like the direct link.

As with last month, while you are navigating through the “virtual learning” for all subjects, please do not fret over the amount of band work that is done. I would be just as happy if you tell me that you put on your favorite song and had a family dance party!

I will have to provide grades for this work for report cards, so please: fill out the attached Activity Log, take a picture of it, and email it to me at: kweller@ecsny.org Please also include pictures of any worksheets that your child completes (some months might not have any worksheets).

If you can’t email it, you can send the hard copies back to school when classroom work is returned.

This packet is due by November 30th, and a new packet will be sent to you for December.

Following this page, you’ll see a calendar with weekly (and extra) activities. At the end of this packet is the activity log to fill out and return for grading purposes.

Thank you so much for all you’re doing, and please reach out at any time if I can help in any way. And remember: We WILL get through this – together, but apart! ☺

Kathleen L. Weller

Kathy Weller

2020

Band - 5th Grade
Ms. Kathy Weller

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1 Week 1:	2 Activity 1: Write a paragraph about why you chose your instrument	3	4	5	6	7 Try for one activity a week – or more if you'd like!
8 Week 2:	9 Activity 2: Learn your Concert Bb Scale – music included	10	11 No School  Veteran's Day	12	13	14 Every week should include 1-2 practice sessions
15 Week 3:	16 Activity 3: Worksheet E or F – or both	17	18	19	20	21 <u>Did you practice this week?</u>
22 Week 4:	23 Activity 4: Practice the new band song: The Magnificent Five	24	25 No School	26 No School  Thanksgiving	27 No School	28
29	30 Optional activity: Play one note and see how long you can hold it. Keep trying until you double your time!	Optional activity: Browse jwpepper.com and find 3 songs you want to perform in band next year!	Optional activity: Perform a mini-concert for your family! Pick one band piece & one song from your book	Optional activity: Research your instrument and write down one fun fact about it		YouTube channel and Virtual classroom links can be found on my school website – or email or call me!

Concert Bb Scale Exercise

Find your instrument, and begin practicing your **Concert Bb scale**. This doesn't mean everyone is playing a "Bb" scale - it means all instruments will sound the same when we play it together in band. Percussionists, practice all the percussion parts for now.

The musical score is for a 5th-grade band and is in 4/4 time. It consists of ten staves. The first six staves are for melodic instruments: Flute, Clarinet in Bb, Alto Sax., Horn in F, Trumpet in Bb, and Trombone. The last four staves are for percussion: Triangle, Tambourine, Snare Drum, and Bass Drum. The key signature has two flats (Bb and Eb). The melodic instruments play a scale starting on middle C (C4) and ascending to C5. The Flute part includes a fermata on the final C5. The percussion parts provide a rhythmic accompaniment. The Triangle plays a pattern of quarter notes and eighth notes. The Tambourine and Snare Drum play a steady eighth-note pattern. The Bass Drum plays a pattern of quarter notes.

Flute

Clarinet in Bb

Alto Sax.

Horn in F

Trumpet in Bb

Trombone

Baritone (B.C.)

Triangle

Tambourine

Snare Drum

Bass Drum

Rhythm Counting

Directions: Write in the counting - put rests in parentheses

Notes in the Bass Clef

Name: _____

1. Name each note on the line below each note:

2. Write each note in the staff above each letter:
