

## Special Areas – Kindergarten

Dear Parents,

This packet is a collection of work from your child's Special Area teachers at Ellicottville Central School. This work includes simple tasks for each subject area that your child should be working on as part of their virtual learning experience, in addition to their core classes.

In this packet, you will find work for the month of **June** from:

Art – Mrs. Lechner (1 page)

Library – Mrs. Illig (1 page)

Music – Ms. Weller (2 pages)

Physical Education – Mr. Mendell (1 page)

Activity Log to log all special area work done this month

**Please notice the  
change in where to  
send completed work:**

**Please have your child complete the work enclosed, and following instructions included on the pages for each subject, send pictures of the requested completed work via email to Ms. Kathleen Weller at: [kweller@ecsny.org](mailto:kweller@ecsny.org). If you can not email the work, please place it back in the folder and return it to school.**

**This packet is due June 25<sup>th</sup>.**

**Please note:** This work will be graded for report card purposes, and needs to be completed and returned in order for your child to be given a passing grade.

**These are the final packets for the 2020-2021 school year. A special thank you goes out to YOU, the students and families who have endured through remote learning this year. You have sent back work that was thoughtfully and carefully done, and as a special area team, we are so proud of your efforts and dedication. Thank you for going above and beyond all year!**

*we will get thru this*  
**TOGETHER**

If you have any questions about the work that is to be completed, please contact the appropriate teacher (contact information below). Thank you for your support and cooperation. Please reach out with questions at any time, and remember, we will get through this together!

The link to our Virtual Classrooms can be found on the school website. Go to [www.ellicottvillecentral.com](http://www.ellicottvillecentral.com), click "Elementary", then "Remote Learning Docs"
