November 2020

Dear Parents,

Hello! Thank you again for all your hard work this past month! Included in this packet are new activities, for the month of November. As promised before, each monthly packet will include a variety of activities, some easier than others. Pick what works best for your family, and do as much as you are able/comfortable with. Every activity in the packet does not need to be completed in order for me to give sufficient grades.

Attached are music activities for the month of November for your child. Like last month, there are several activities with video links, and these are all available in my Virtual Classroom. The link to my Virtual Classroom can be found on the school website. Go to www.ellicottvillecentral.com, click "Elementary", then "Elementary Teacher Websites" – find my name, and then the link for my Kindergarten Virtual Classroom is on the bottom left of my home screen. Or, please send me an email to let me know you'd like the direct link.

As with last month, while you are navigating through the "virtual learning" for all subjects, please do not fret over the amount of music work that is done. I would be just as happy if you tell me that you put on your favorite song and had a family dance party!

I will have to provide grades for this work for report cards, so please: fill out the attached Activity Log, take a picture of it, and email it to Mrs. Pfeffer at: lpfeffer@ecsny.org Please also include pictures of any worksheets that your child completes (some months might not have any worksheets).

If you can't email it, you can send the hard copies back to school when classroom work is returned.

This packet is due by November 30th, and a new packet will be sent to you for December.

Please continue to use the instruments in the bag that I sent home last month! There are activities this month that use more of the items, and others will be used soon. Your child can use any items in this bag at any time for any activity – even non-school activities! Remember to keep this kit in a safe place, and if your child returns to school, please have them bring this bag and all items to school, as we do use them in music class.

Following this page, you'll see a calendar with weekly (and extra) activities. At the end of this entire "Specials Area" packet is an activity log for all subject areas.

Thank you so much for all you're doing, and please reach out at any time if I can help in any way. And remember: We WILL get through this – together, but apart! ☺
