

## Special Areas - Kindergarten

Dear Parents,

This packet is a collection of work from your child's Special Area teachers at Ellicottville Central School. This work includes simple tasks for each subject area that your child should be working on as part of their virtual learning experience, in addition to their core classes.

In this packet, you will find work for the month of **September** from:

Art – Mrs. Lechner

Library – Mrs. Illig

Music – Ms. Weller

Physical Education – Mr. Mendell

*Please have your child complete the work enclosed, and following instructions included on the pages for each subject, send pictures of the requested completed work via email to Mrs. Leanne Pfeffer at: [lpfeffer@ecsny.org](mailto:lpfeffer@ecsny.org)* If you can not email the work, please place it back in the folder and return it to school.

***This packet is due by September 30<sup>th</sup>***

Please note: This work will be graded for report card purposes, and needs to be completed and returned in order for your child to be given a passing grade. This packet is due by the end of September, and a new packet will be sent home prior to the start of October.

*we will get thru this*  
**TOGETHER**

If you have any questions about the work that is to be completed, please contact the appropriate teacher (contact information below). Thank you for your support and cooperation. Please reach out with questions at any time, and remember, we will get through this together!

Dear ECS Family,

I have come up with an Art Challenge Calendar for your child to work on. I have designed a different activity for each day of the week. Please do not feel that you will need to do every activity listed. Look through the calendar and pick at least 1 activity each week that your child will feel comfortable doing. When you complete the activity please place a check in the box for the art log.

If you have any concerns you have my email or the COV hotline from school.

Happy Creating!

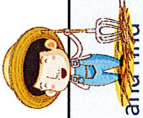

Mrs. Lechner

September 2020

Dear Parents,

Hello! My name is Kathy Weller, and I will be your child's music teacher this year. We are definitely living in crazy times, and music is something that we desperately need to keep us relaxed. I will do my best to provide activities that DO encourage your child to create, explore, learn, and love music, but that do NOT increase your stress level. Each monthly packet will include a variety of activities, some easier than others. Pick what works best for your family, and do as much as you are able/comfortable with. Every activity in the packet does not need to be completed in order for me to give sufficient grades.

Attached are music activities for the month of September for your child. There is one main activity per week, plus some "extra" ones that you can do if there is time/desire to do so. As you are navigating through the "virtual learning" for all subjects, please do not fret over the amount of music work that is done. I would be just as happy if you tell me that you put on your favorite song and had a family dance party!

**I will have to provide grades for this work for report cards, so please: fill out the attached Activity Log, take a picture of it, and email it to Mrs. Pfeffer at: [lpfeffer@ecsny.org](mailto:lpfeffer@ecsny.org) Please also include pictures of any worksheets that your child completes (some months might not have any worksheets).** If you can't email it, you can send the hard copies back to school, in the envelope they came in.

*This packet is due by September 30<sup>th</sup>, and a new packet will be sent to you for October.*

I intend to make the activities ones that your child can do with little or no help from you, other than perhaps getting them started. However, if you find that you do not understand or need help with anything, please email, call the school, or text/call my cell.

Following this page, you'll see a calendar with weekly (and extra) activities, then the Activity Log to fill out and return.

Thank you so much for all you're doing, and please reach out at any time if I can help in any way. And remember: We WILL get through this – together, but apart! ☺

*Kathleen L. Weller*

ECS ELEMENTARY PHYSICAL EDUCATION  
MR. CHRIS MENDELL

ECS Eagles

Dear Parents,

Welcome to the 2020-21 School Year! Let me take this opportunity to introduce myself if you don't know me. My name is Mr. Chris Mendell and I am the Elementary Physical Education teacher here at ECS Elementary. It's a pleasure to once again work with your child and family, albeit these unusual times. However, as you know, fitness is an essential facet of a child's physical and emotional well-being, so I am excited to detail our plan for your child and all remote learners.

***As a remote learner, your child will be required to complete 120 minutes of fitness each week.*** The work your child completes at home will be graded as Physical Education is part of the compulsory education requirement of all New York state students.

For your child to receive a passing grade, I am asking for your help as a parent. Your child may follow the monthly calendar of activities provided or choose their own activities. The goal is simple – 120 minutes of physical activity each week. It's also understood that inclement weather may alter focused activities. I ask that you use your best judgment in providing high-quality fitness activities for your child. Thank you!

Please follow this procedure for grading purposes:

- ⇒ For each week of physical fitness as outlined in the attached Monthly Activity Calendar, please fill out the enclosed "**Weekly P.E. Activity Log,**" which includes spaces for your signature.
- ⇒ After each month of completion, please take a picture of the activity log and send it via email to Mrs. Pfeffer at [lpfeffer@ecsny.org](mailto:lpfeffer@ecsny.org)
- ⇒ September's activity log is attached to this note for your use.

***To access the videos outlined on the Monthly Activity Calendar, please type the URL or go to Ellicottville Central. com. Look under the tab for remote learning.***

Please feel free to contact me at [cmendell@ecsny.org](mailto:cmendell@ecsny.org) if you have any questions or concerns. Again, Welcome Back! I look forward to working with your child in person, real soon!

Warm regards,

Mr. Chris Mendell
